**THIS WEEK IN Neurology®**

1085 Highlights of the April 6 issue

**EDITORIALS**

1086 Prognosticating after severe acute brain disease: Science, art, and biases
Alejandro A. Rabinstein and J. Claude Hemphill III

1088 Fractal analysis of retinal vessels: Peeping at the tree of life?
Vincent I.H. Kwa and Oscar L. Lopez

1090 The neglected brain in myotonic dystrophy types 1 and 2
Baziel G.M. van Engelen and Frank Erik de Leeuw

1092 EBV and brain matter(s)?
Alberto Ascherio and Amit Bar-Or

**ARTICLES**

1096 Outcome prediction in mechanically ventilated neurologic patients by junior neurointensivists
A. F. Caulfield, L. Gabler, M.G. Lansberg, I. Eyngorn, M. Mlynash, M.S. Buckwalter, C. Venkatasubramanian, and C.A.C. Wijman

1098 Comparative analysis of brain structure, metabolism, and cognition in myotonic dystrophy 1 and 2

1102 Fractal analysis of retinal vessels suggests that a distinct vasculopathy causes lacunar stroke
F.N. Doubal, T.J. MacGillivray, N. Patton, B. Dhillon, M.S. Dennis, and J.M. Wardlaw

1108 Detection of poliovirus-infected macrophages in thymus of patients with myasthenia gravis
P. Cavalcante, M. Barberis, M. Cannone, F. Baggi, C. Antozzi, L. Maggi, F. Cornelia, M. Barbi, P. Didò, S. Berrit-Akin, R. Mantegazza, and P. Bernasconi

1127 Absence of Epstein-Barr virus in the brain and CSF of patients with multiple sclerosis

1136 When, where, and how the corpus callosum changes in MCI and AD: A multimodal MRI study
M. Di Paolo, F. Di Iulio, A. Cherubini, C. Blundo, A.R. Casini, G. Sancesario, D. Passafiume, C. Caltagirone, and G. Spalletta

**CONTEMPORARY ISSUES IN NEUROLOGIC PRACTICE**

1143 Rasagiline, Parkinson neuroprotection, and delayed-start trials: Still no satisfaction?
J. Eric Ahlskog and Ryan J. Uitti

1149 The delayed-start study in Parkinson disease: Can't satisfy everyone
C. Warren Olanow and O. Rascol

1151 Reply to Drs. Olanow and Rascol
J. Eric Ahlskog and Ryan J. Uitti

**CLINICAL/SCIENTIFIC NOTES**

1152 Pseudodominant inheritance of spastic ataxia of Charlevoix-Saguenay

1155 MR imaging of demyelinating hypertrophic polyneuropathy
Julie Rowin

**NEUROIMAGES**

1155 MR imaging of demyelinating hypertrophic polyneuropathy
Julie Rowin

**RESIDENT & FELLOW SECTION**

e56 Book Review
Jamie Fountain

e57 Child Neurology: Alternating hemiplegia of childhood
Jeffrey R. Tenney and Mark B. Schapiro

e60 Teaching NeuroImages: FDG-PET in progressive supranuclear palsy
D. Renard, L. Collombier, G. Castelnovo, and P. Labauge

Emergence from minimally conscious state: Insights from evaluation of posttraumatic confusion
To the Editor: C. Machado, J. Perez-Nellar, R. Rodríguez, C. Scherle, J. Korein. Reply from the Authors: R. Nakase-Richardson, S.A. Yablon, M. Sherer, and C.C. Evans

Systemic inflammation and disease progression in Alzheimer disease
To the Editor: Angela R. Kamer. Reply from the Authors: Clives Holmes, Colm Cunningham, and V. Hugh Perry

Detection of polio virus-infected macrophages in thymus of patients with myasthenia gravis
The weekly podcast of content from Neurology is located on the AAN Web site at www.aan.com. From the Main page, select Members & Professionals, then the green Neurology Journal tab. Click the “Podcast” button under the image of the journal to subscribe to the podcasts or listen to an individual podcast.

This week’s podcast features an interview by Dr. Ted Burns with Dr. Renato Mantegazza about his paper on myasthenia gravis.

New CME Opportunity: Listen to this week’s Neurology® Podcast and earn 0.5 AMA PRA Category 1 CME Credits™ by answering the multiple-choice questions in the online Podcast quiz.

Neurology® Online CME Program
Earn CME while reading Neurology. This program is available only to online Neurology subscribers. Simply read the articles marked CME, go to www.neurology.org, and click on CME. This will provide all of the information necessary to get started. The American Academy of Neurology (AAN) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. Neurology is planned and produced in accordance with the ACCME Essentials. For more information, contact AAN Member Services at 800-879-1960.
