**Neurology® Podcast**

Hippocampal removal affects visual but not auditory naming

The weekly podcast of content from Neurology is located on the AAN Web site at www.aan.com. From the Main page, select Members & Professionals, then the green Neurology Journal tab. Click the “Podcast” button under the image of the journal to subscribe to the podcasts or listen to an individual podcast.

This week’s podcast features an interview by Dr. Ryan Overman with Dr. Marla Hamberger about her paper on hippocampal removal.

**New CME Opportunity:** Listen to this week’s Neurology® Podcast and earn 0.5 AMA PRA Category 1 CME Credits™ by answering the multiple-choice questions in the online Podcast quiz.

**Neurology® Online CME Program**

Earn CME while reading Neurology. This program is available only to online Neurology subscribers. Simply read the articles marked CME, go to www.neurology.org, and click on CME. This will provide all of the information necessary to get started. The American Academy of Neurology (AAN) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. Neurology is planned and produced in accordance with the ACCME Essentials. For more information, contact AAN Member Services at 800-879-1960.
