## Authorship Disclosure

1. As an author of this manuscript, I understand this submitted manuscript and the essence of its content (including data, text, tables, figures): (a) has not been previously published (abstracts can be excluded); and (b) is not under simultaneous consideration by another journal. If there is any possibility of duplicate or redundant publication, a letter of explanation is enclosed with the original submission.

As an author of this manuscript, I agree with (a) and (b):

Yes  No (If no, explain on a separate page)

2. Each author should have participated sufficiently in the work to take responsibility for the content. Authorship credit should be based only on substantial contributions to (a) conception and design, or analysis and interpretation of data; and to (b) drafting the article or revising it critically for important intellectual content; and on (c) final approval of the version to be published. Conditions (a), (b), and (c) must all be met.

As an author of this manuscript, I met conditions (a), (b), and (c):

Yes  No (If no, explain on a separate page)
