

Neurology[®] Clinical Practice

Vision

Neurology[®] Clinical Practice will be the premier peer-reviewed journal for articles that inform clinical neurology practice.

Mission

Neurology: Clinical Practice will provide clinical neurology practitioners with outstanding peer-reviewed articles and commentaries on clinical topics, practice management, and health policy to enhance career satisfaction and optimize patient care.

Editor

JOHN R. CORBOY, MD, FAAN

University of Colorado
School of Medicine
Department of Neurology & Co-director
Rocky Mountain Multiple Sclerosis
Center at CU
Aurora, CO

*Specialties: Neurovirology, multiple sclerosis,
neuroeducation, diagnostics, therapeutics*

Deputy Editor

ELAINE C. JONES, MD

SOC Telemed
Reston, VA

*Specialties: General neurology, clinical practice,
telemedicine, neuromuscular*

Associate Editors

DAVID C. ANDERSON, MD, FAAN

University of Minnesota
Saint Paul, MN

*Specialties: General neurology, stroke, and
medical education*

RICHARD BARBANO, MD, PhD, FAAN

University of Rochester
Rochester, NY

*Specialties: Botulinum toxins, dystonia,
movement disorders*

LUCA BARTOLINI, MD

EDITOR, PRACTICE CURRENT
The Warren Alpert Medical School of
Brown University
Director, Pediatric Epilepsy Program
Providence, RI

*Specialties: Epilepsy, child neurology, and
neuroinflammation*

**ARAVIND GANESH, MD, DPHIL (OXON),
FRCPC**

DEPUTY EDITOR, PRACTICE CURRENT
Department of Clinical Neurosciences
University of Calgary
Calgary, Alberta, CANADA

Specialties: Vascular and cognitive neurology

GARY R. CUTTER, PhD
CONTRIBUTING EDITOR

University of Alabama at Birmingham
School of Public Health
Department of Biostatistics
Birmingham, AL

*Specialties: Clinical trials, epidemiologic
studies, and evaluation research*

HAITHAM HUSSEIN, MD, FAAN
CONTRIBUTING EDITOR

University of Minnesota Medical School
Department: Neurology
Minneapolis, MN

Specialty: Vascular neurology

JAMES L. BERNAT, MD, FAAN
Geisel School of Medicine at Dartmouth and Dartmouth-Hitchcock Medical Center
Hanover, NH

Specialties: Bioethics, professional conduct and misconduct, coma and disorders of consciousness, brain death medicine, neurology education

JOSÉ BILLER, FACP, FAAN
Loyola University Chicago
Department of Neurology
Maywood, IL

Specialties: Ischemic and hemorrhagic cerebrovascular diseases (children, adults), carotid artery disease, transient ischemic attacks, CNS vascular malformations, clinical trials in stroke, neurology of systemic diseases, acute care neurology/neurohospitalist medicine, headache medicine

LYELL K. JONES, JR., MD, FAAN
Department of Neurology
Mayo Clinic
Rochester, MN

Specialties: Neuromuscular, EMG/NCS, neurology education, health policy, health care economics

BARBARA S. KOPPEL, MD, FAAN
Department of Neurology
New York Medical College
New York, NY

Specialties: AIDS and CNS infections, epilepsy, illicit substance use, cocaine, alcohol and other neurotoxins, neurologic complications of vitamin deficiencies

HEIDI MOAWAD, MD
Case Western Reserve University
Cleveland, OH

Specialties: Patient education, patient care, education, CAM, payment policy, health care policy, professional development

JOHN P. NEY, MD, MPH
Acute and Specialty Care Service Line
Edith Nourse Rogers VA Medical Center
Bedford, MA

Specialties: Areas-cost of care, burden of illness, budget-impact, cost-effectiveness, comparative effectiveness, health technology assessment, health economics, health policy, health outcomes research, health services research, evidence review, meta-analytic techniques, clinical neurophysiology, intraoperative neurophysiological monitoring, pain, neuromuscular, EEG, EMG, neurological procedures including botulinum toxin therapies

MARC R. NUWER, MD, PhD, FACP, FAAN
University of California Los Angeles
Department of Neurology
Reed Neurological Research Center
Los Angeles, CA

Specialties: CPT coding, evaluation and management services, intraoperative monitoring, ICU EEG monitoring, epilepsy monitoring, epilepsy patient care, EEG, evoked potentials, health care public policy, health care reform

TAMARA PRINGSHEIM, MD, MSc
Mathison Centre for Mental Health Research and Education
Calgary, AB, CANADA

Specialties: Movement disorders, neuropsychiatry/neurology and mental health, headache

AMY A. PRUITT, MD, FAAN
University of Pennsylvania
Philadelphia, PA

Specialties: Neuro-oncology, complications of solid organ and hematopoietic cell transplantation, neuro-infectious diseases, neurological complications of medical illnesses

TERRY ROLAN, MD
Harry S. Truman Memorial Veterans' Hospital
Columbia, MO

Specialties: Movement disorders, traumatic brain injury, neurotoxicology, sports neurology, neurology, and medicine in austere environments

SATY SATYA-MURTI, MD, FAAN
Health Policy Consultant
Santa Maria, CA

Specialties: Coverage and related evidence assessment, insurance coverage for new or emerging technologies, intersections (interdisciplinary) of neurology with other health care specialties, health policy with emphasis on Medicare, cognitive bias in clinical and forensic sciences

ANURADHA SINGH, MD
Chief of Neurology,
Bellevue Hospital Center,
New York, NY

Specialties: Epilepsy, epilepsy seizure disorders, EEG, neuro-oncology, neuroradiology, neuromuscular disorders, general neurology, genetic disorders

JACK W. TSAO, MD, DPhil, FAAN
Memphis Veterans Affairs
Medical Center and
University of Tennessee
Health Science Center
Memphis, TN

Specialties: Concussion, traumatic brain injury, chemodeneration, phantom limb pain

TISSA WIJERATNE, MD, FRACP, FAAN
Neurology University of
Rajarata, Sri Lanka
University of Melbourne
Stroke Unit and Research Unit
Department of Neurology
Western Hospital
Melbourne, AUSTRALIA

Specialties: Advocacy, global issues in clinical practice, neurology education, stroke in the developing world, TIA, movement disorders, pain, stroke/vascular neurology, clinical trials, education, epidemiology, Parkinson disease, stroke in young adults
